7. **Error Resolution.** In case of errors or questions about your electronic transfers, call us at 218-736-5485 or write to us at Security State Bank, 128 E. Washington, Fergus Falls, MN 56537. If you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt, call or contact us as soon as you can. We must hear from you no later than sixty (60) days after we sent the FIRST statement on which the problem or error appeared. Tell us your name and account number (if any). Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information. Tell us the dollar amount of the suspected error. If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) business days.

We will determine whether an error occurred within ten (10) business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to forty five (45) days to investigate your complaint or question. If we decide to do this, we will credit your account within ten (10) business days for the amount you think is in error, so that you will have the use of money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not credit your account.

If a notice of error involves an electronic fund transfer, point of sale debit card transaction, or foreign-begun transaction, which occurred within thirty (30) days after the first deposit was made to a new account, we may take up to ninety (90) days to investigate your complaint or question. For new accounts, we may take up to twenty (20) business days to credit your account for the amount you think is in error. We will tell you the results within three (3) business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

If a notice of error involves unauthorized use of your point of sale debit card with the VISA logo when it is used as a VISA point of sale debit card, we will provide provisional credit within five (5) business days after you notify us instead of within ten (10) or

twenty (20) business days. We may withhold providing this accelerated provisional credit, to the extent allowed under applicable law, if the circumstances or account history warrants the delay. Tell us your name and account. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information. Tell us the dollar amount.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. If we decide that there was no error, we will send you a written explanation of our findings within 3 business days after we finish our investigation.
